

# 2019 USEA AREA VIII YOUNG RIDER CAMPS AND NAYC CANDIDATE TRAINING SESSION

Once again Area VIII is offering two camps for 2019. Both camps will include instruction in all competition phases, as well as informational sessions on a variety of topics. Riders will be grouped by ability and instruction will cover Starter/Beginner Novice through Intermediate.

**NAYC Candidates: Please note, Camp South is also a Mandatory Training Session for all those hoping to compete at 2019 Young Rider Championships.**

These are day camps and riders are expected to participate in all group instructional meetings and riding sessions, as well as auditing training sessions for other riders (or setting jumps, etc.). Snacks, lunch, and water will be provided. Assistance with housing may be provided, so we would love to hear from anyone who may be able to provide housing for young riders attending camps in your area.

Priority will be given to applicants who are registered Young Rider members but our camps are open to ALL riders, adults and non-YR-members.
